PreFoam efficient

Precleaner & insect remover foaming

The concentrated, phosphate-free, highly alkaline, foaming precleaner for car and truck prewash. The composition of complexing agents and surfactants spontaneously dissolves stubborn adhesions such as insects, bird excrement and environmental soiling. The good foam formation in combination with the fresh citrus scent ensures a pleasant washing experience. VDA-compliant class B: exposure time max. 1 min, max. application concentration 1:100.

Areas of use

Commercial vehicle & car wash, self-service facilities

Recommendations for use

Insect cleaning: 1:20; pre-cleaning of car chassis: 1:30; pre-cleaning of trucks: 1:15 to 1:20. Apply from bottom to top covering the entire surface and rinse off thoroughly with a high-pressure cleaner after maximum 1 min.
