

Detailing Bucket

Set consisting of Detailing Bucket, Lid, GritGuard

page 1 of 1

Detailing Bucket Set includes bucket, lid and strainer. The volume of the robust Detailing Bucket with reinforced rim includes 5 GAL (approx. 20L). The included GritGuard prevents dirt from swirling up at the bottom of the bucket. Scratches from debris, such as sand, pebbles, etc. are avoided thereby. A matching click lid completes the Detailing Bucket Set.

Areas of use

Hand wash in the field of cars, trucks and motorcycles

Recommendations for use

To optimally complement the set and remove further dirt particles from the cleaning tool such as wash sponges, wash gloves, etc., we recommend the GritGuard Washboard (9998227).
