

Lammfell-Pad

Extra thick and non-pilling (lint-free) natural lambswool pad for use with polishing compounds. Lambswool is the polishing medium with the highest abrasiveness and is therefore ideally suited for removing the effects of severe weathering, deep scratches and sanding traces. Top quality with a long service life. Optimally suited for working with Heavy Cut (H9.02) and Feinschleifpaste (F6.01). Abrasiveness: 9
