Wash & Finish

Special-purpose product for quick and easy external cleaning of slightly to moderately dirty vehicles without water. Cleans, cares for and seals vehicle paints, glass, plastic parts, rims, etc. in a single step. Innovative cleaning and care components clean the surfaces gently, leaving them with a glossy, non-streaky and hydrophobic finish. Previously applied polishes and waxes are retained.

Areas of use

Cars, motorbikes, camping and commercial vehicles, etc.

Recommendations for use

Use a spray bottle to apply product evenly to the areas to be treated, then wipe up dirt with a microfibre cloth and buff with a second microfibre cloth. Repeat application in the case of heavy soiling.
